

WHAT'S THE PURPOSE?

GOSPEL OF JOHN • JOHN 9:1-41

The common thinking was that personal suffering was due to personal sin.

-Sometimes that is true. But certainly not always.

Jesus speaks more to purpose than cause.

-The purpose: that the works of God might be displayed in him.

Sometimes God puts his power and glory on display by bringing healing.

Other times he puts his power and glory on display by sustaining us in the middle of it.

Jesus reveals there is a blindness that is worse than physical blindness.

The presence and work of Jesus reveals his authority.

The presence and work of Jesus invokes several responses.

-The once-blind man's response to Jesus is worship.

-The seeing Pharisees' response is unbelief and they remain dead in their spiritual blindness.
